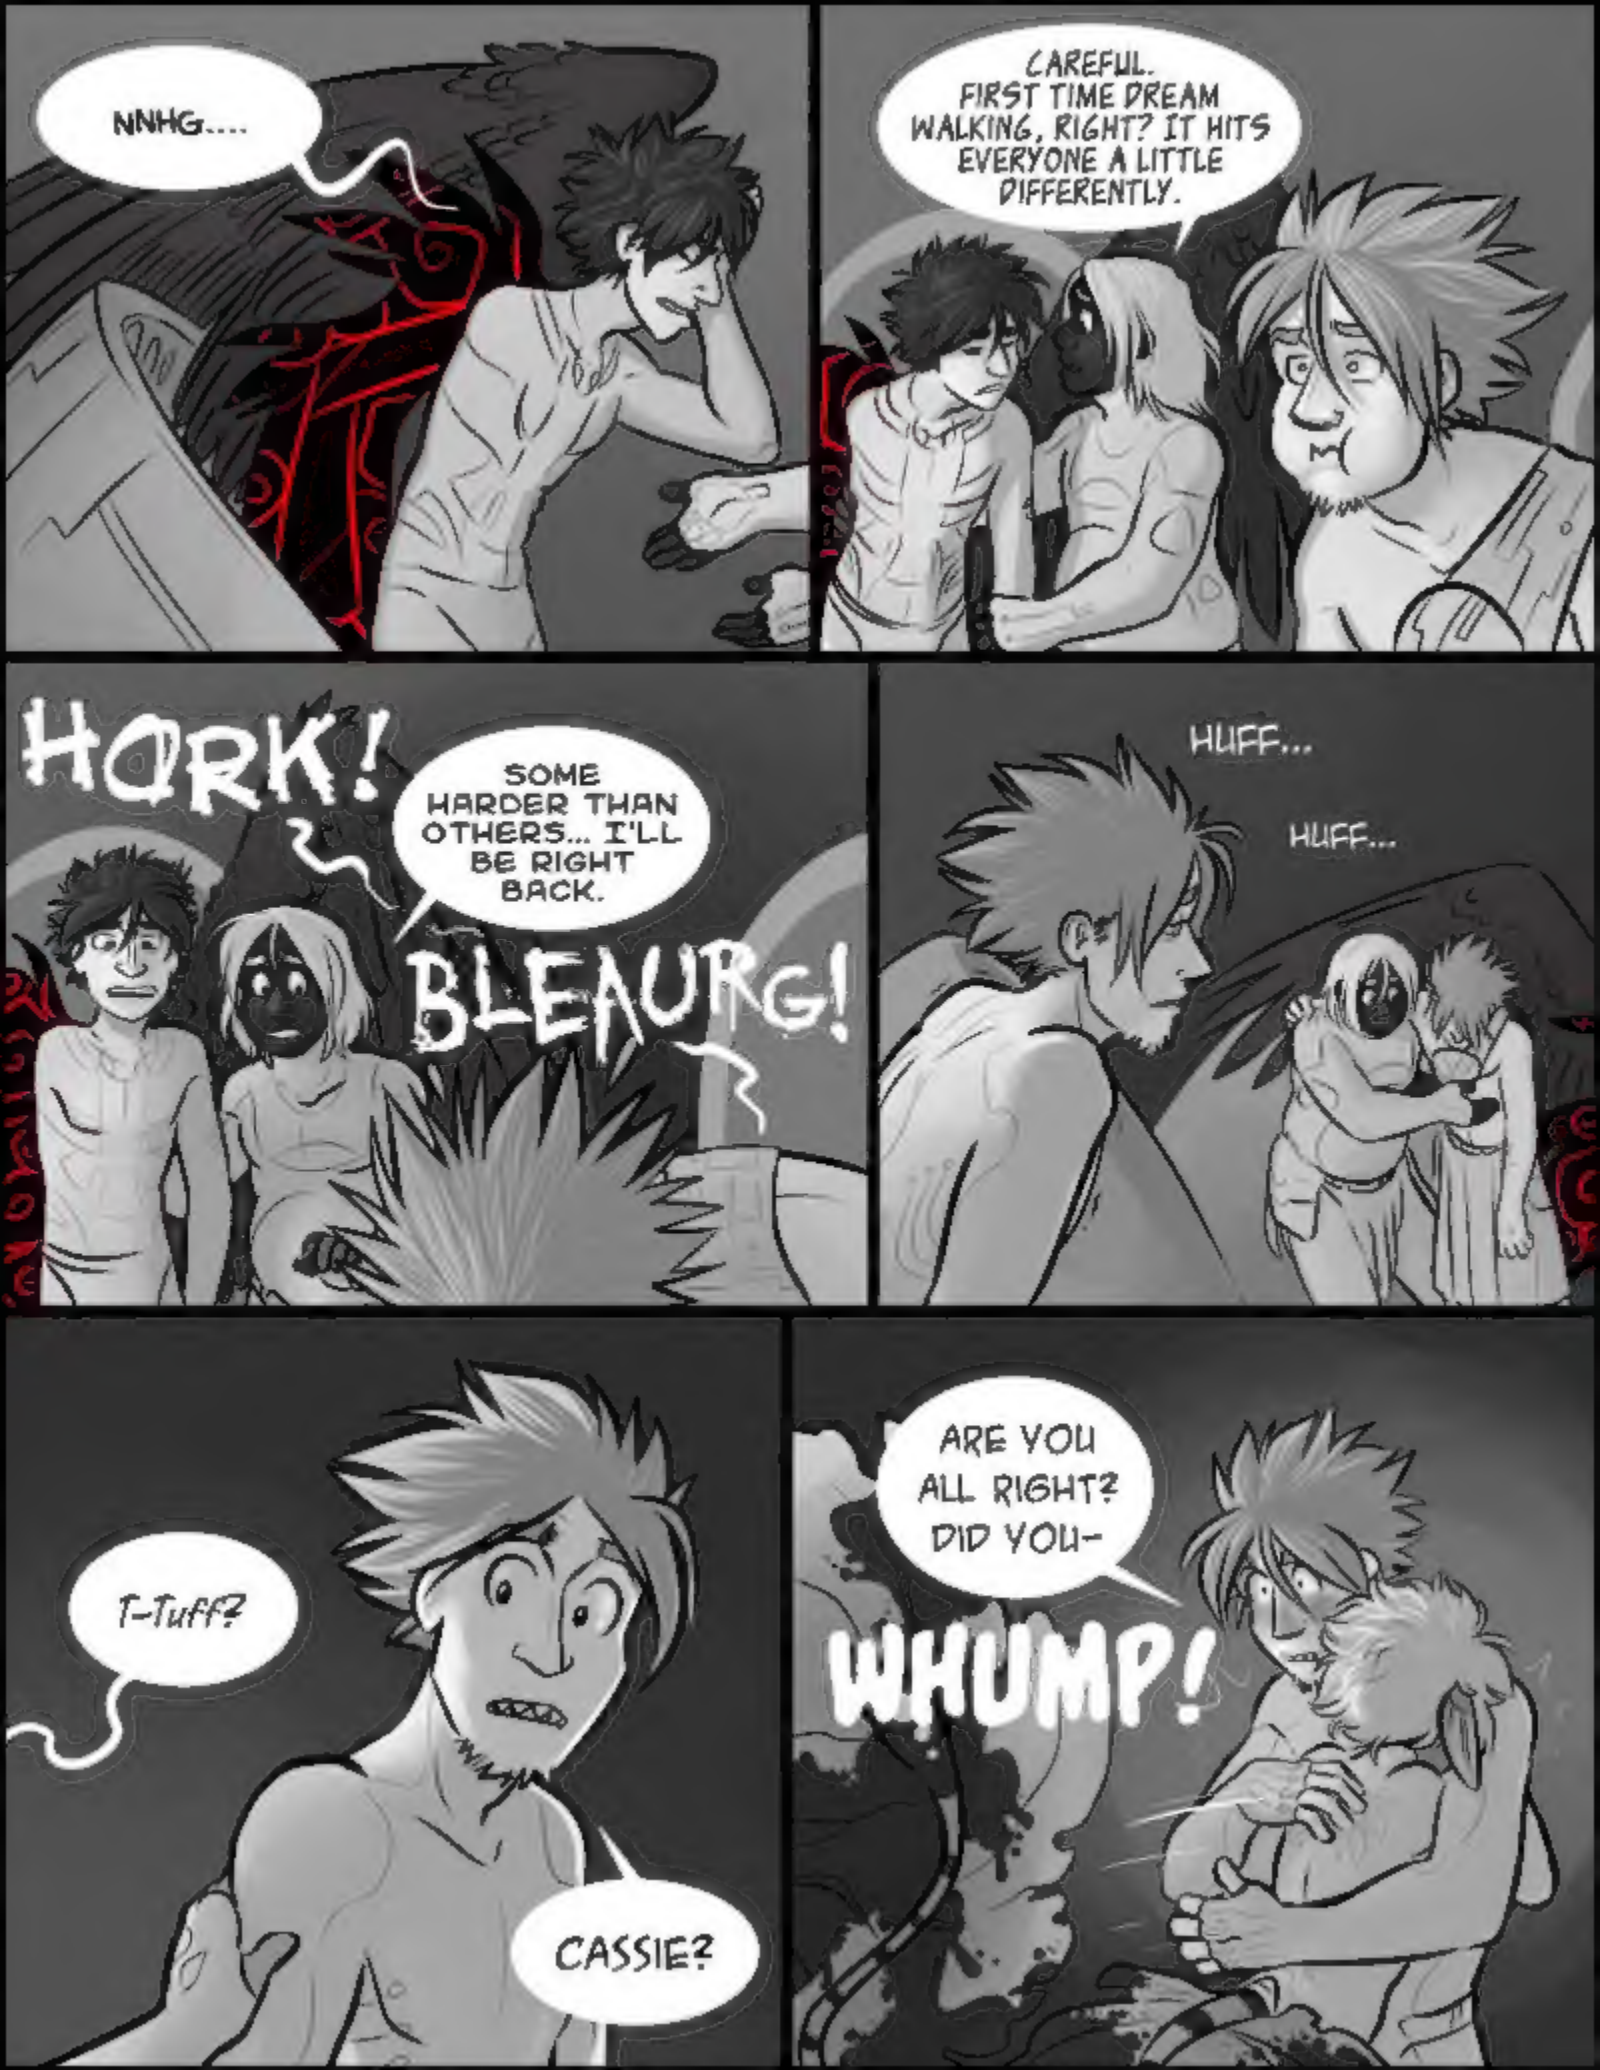
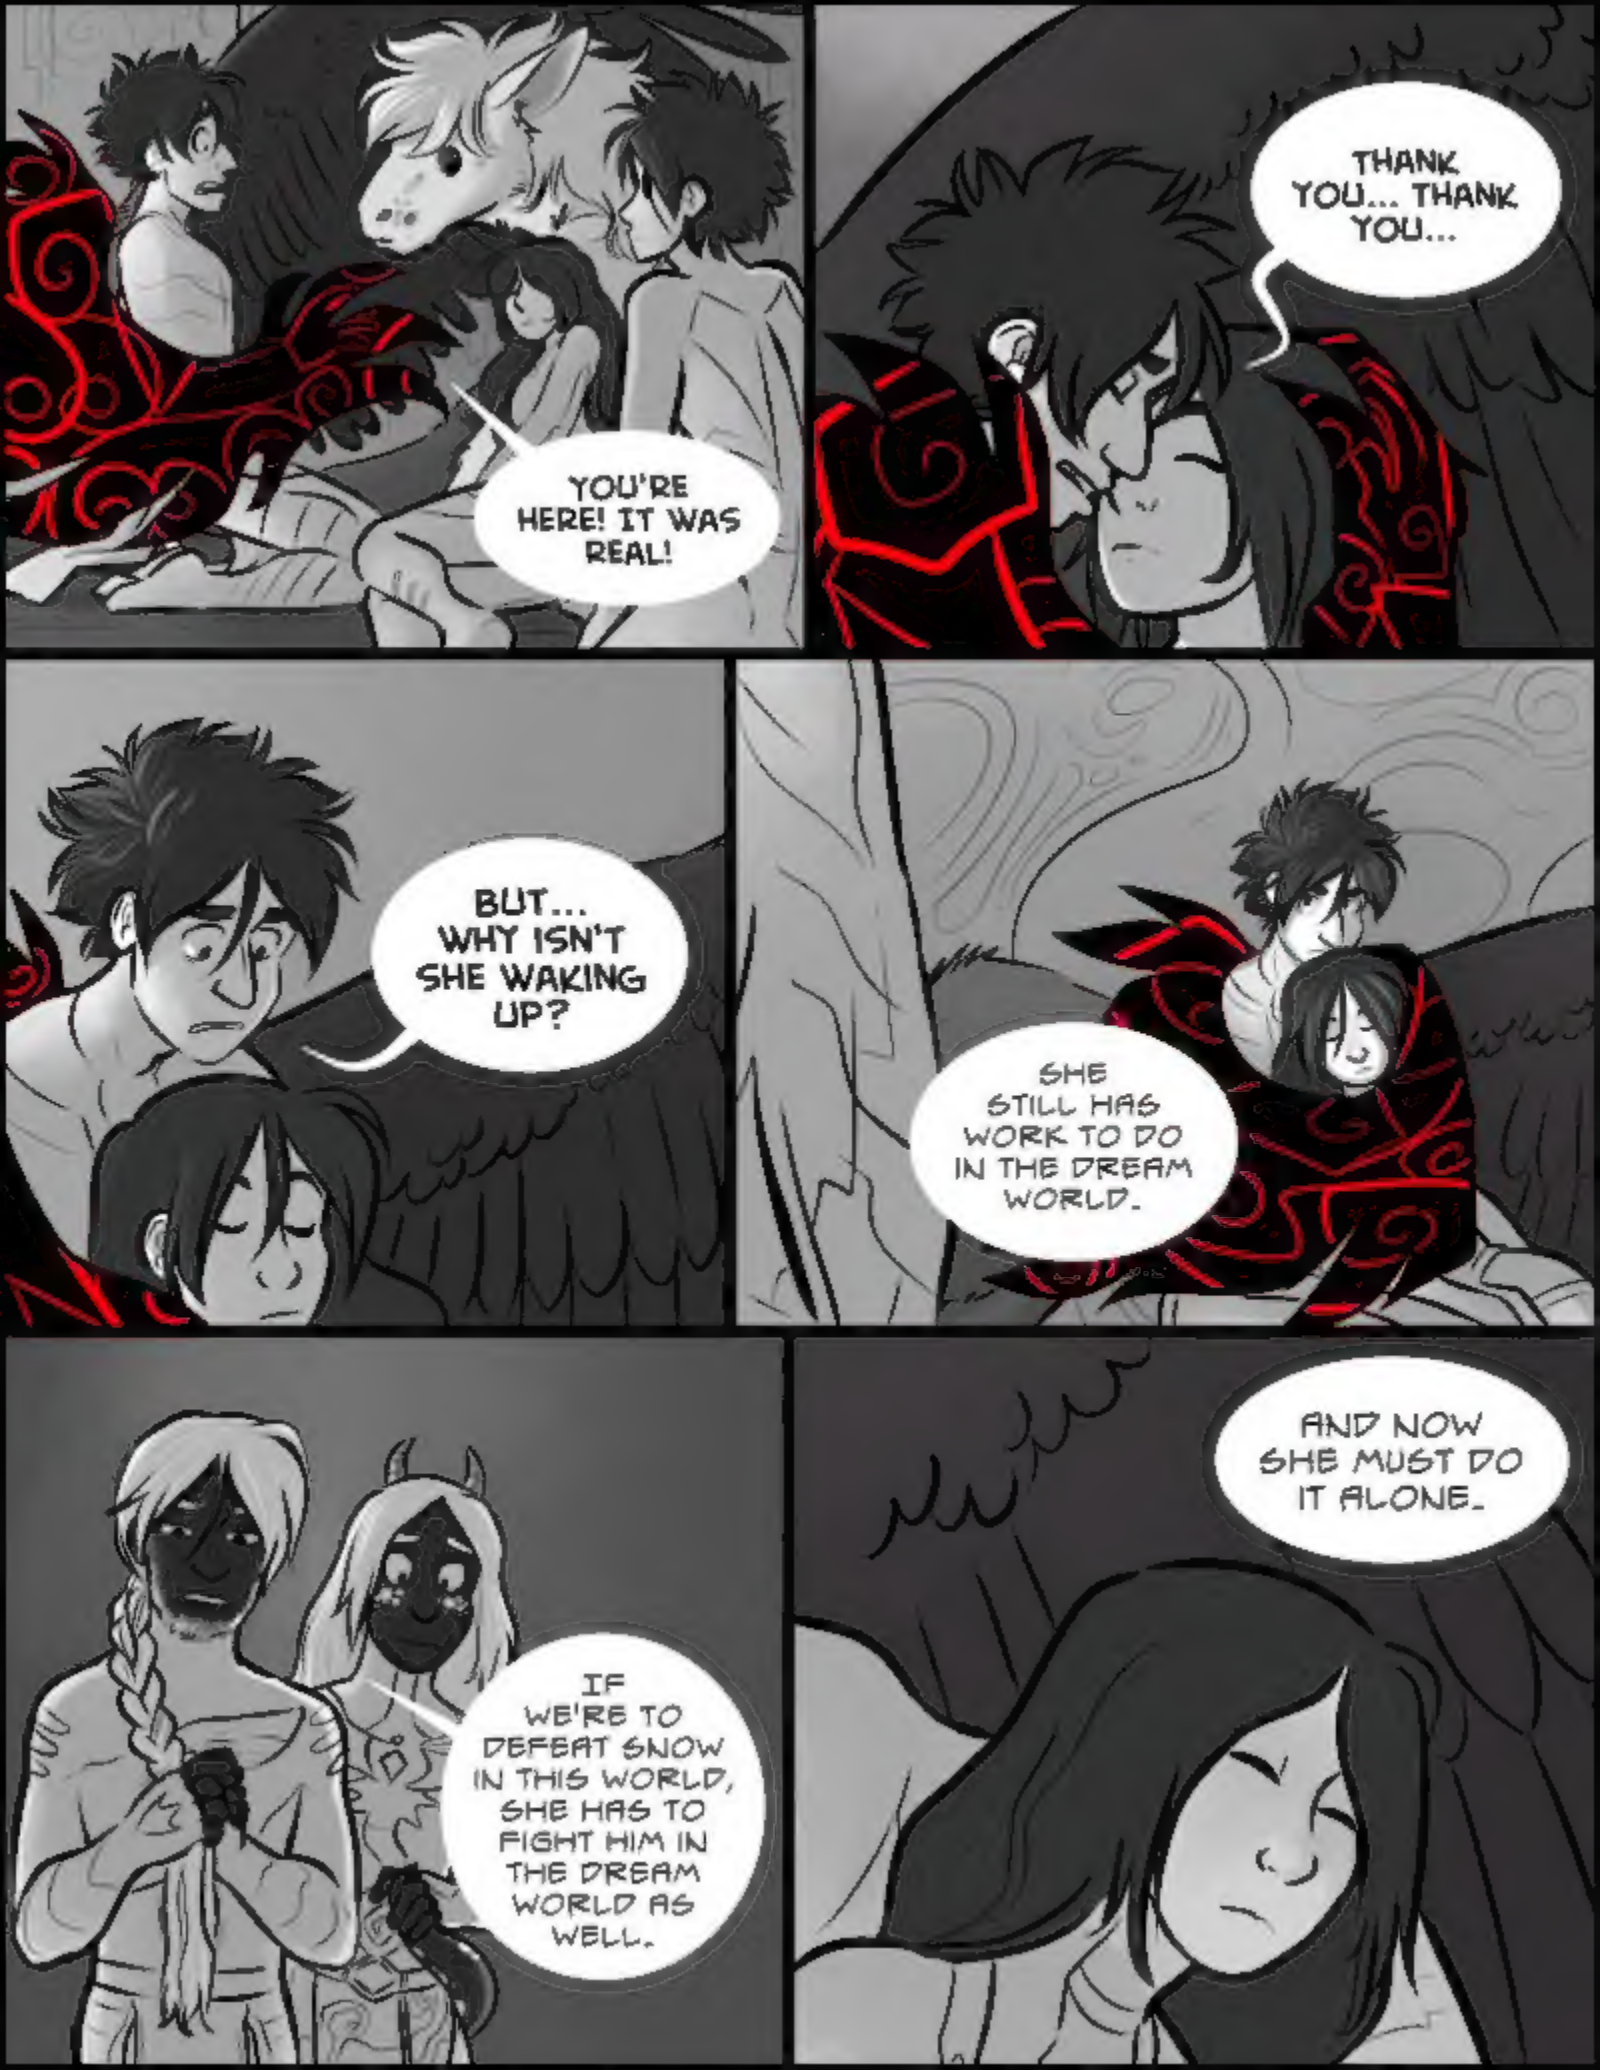
CREDENZA! YOUR EYE!
HSSS, YEAH, THAT FAKE CREDENZA DID A NUMBER ON ME.
THIS IS MY DREAM WORLD. THERE MUST BE SOMETHING HERE THAT CAN HELP.
THERE'S NO TIME. WE HAVE TO KEEP MOVING.
WHAT?!
I THINK I HAVE TO DO THIS PART ON MY OWN.
WE'LL MEET UP LATER ON THE OTHER SIDE.
WAIT! CREDENZA!
NO!
GASP!

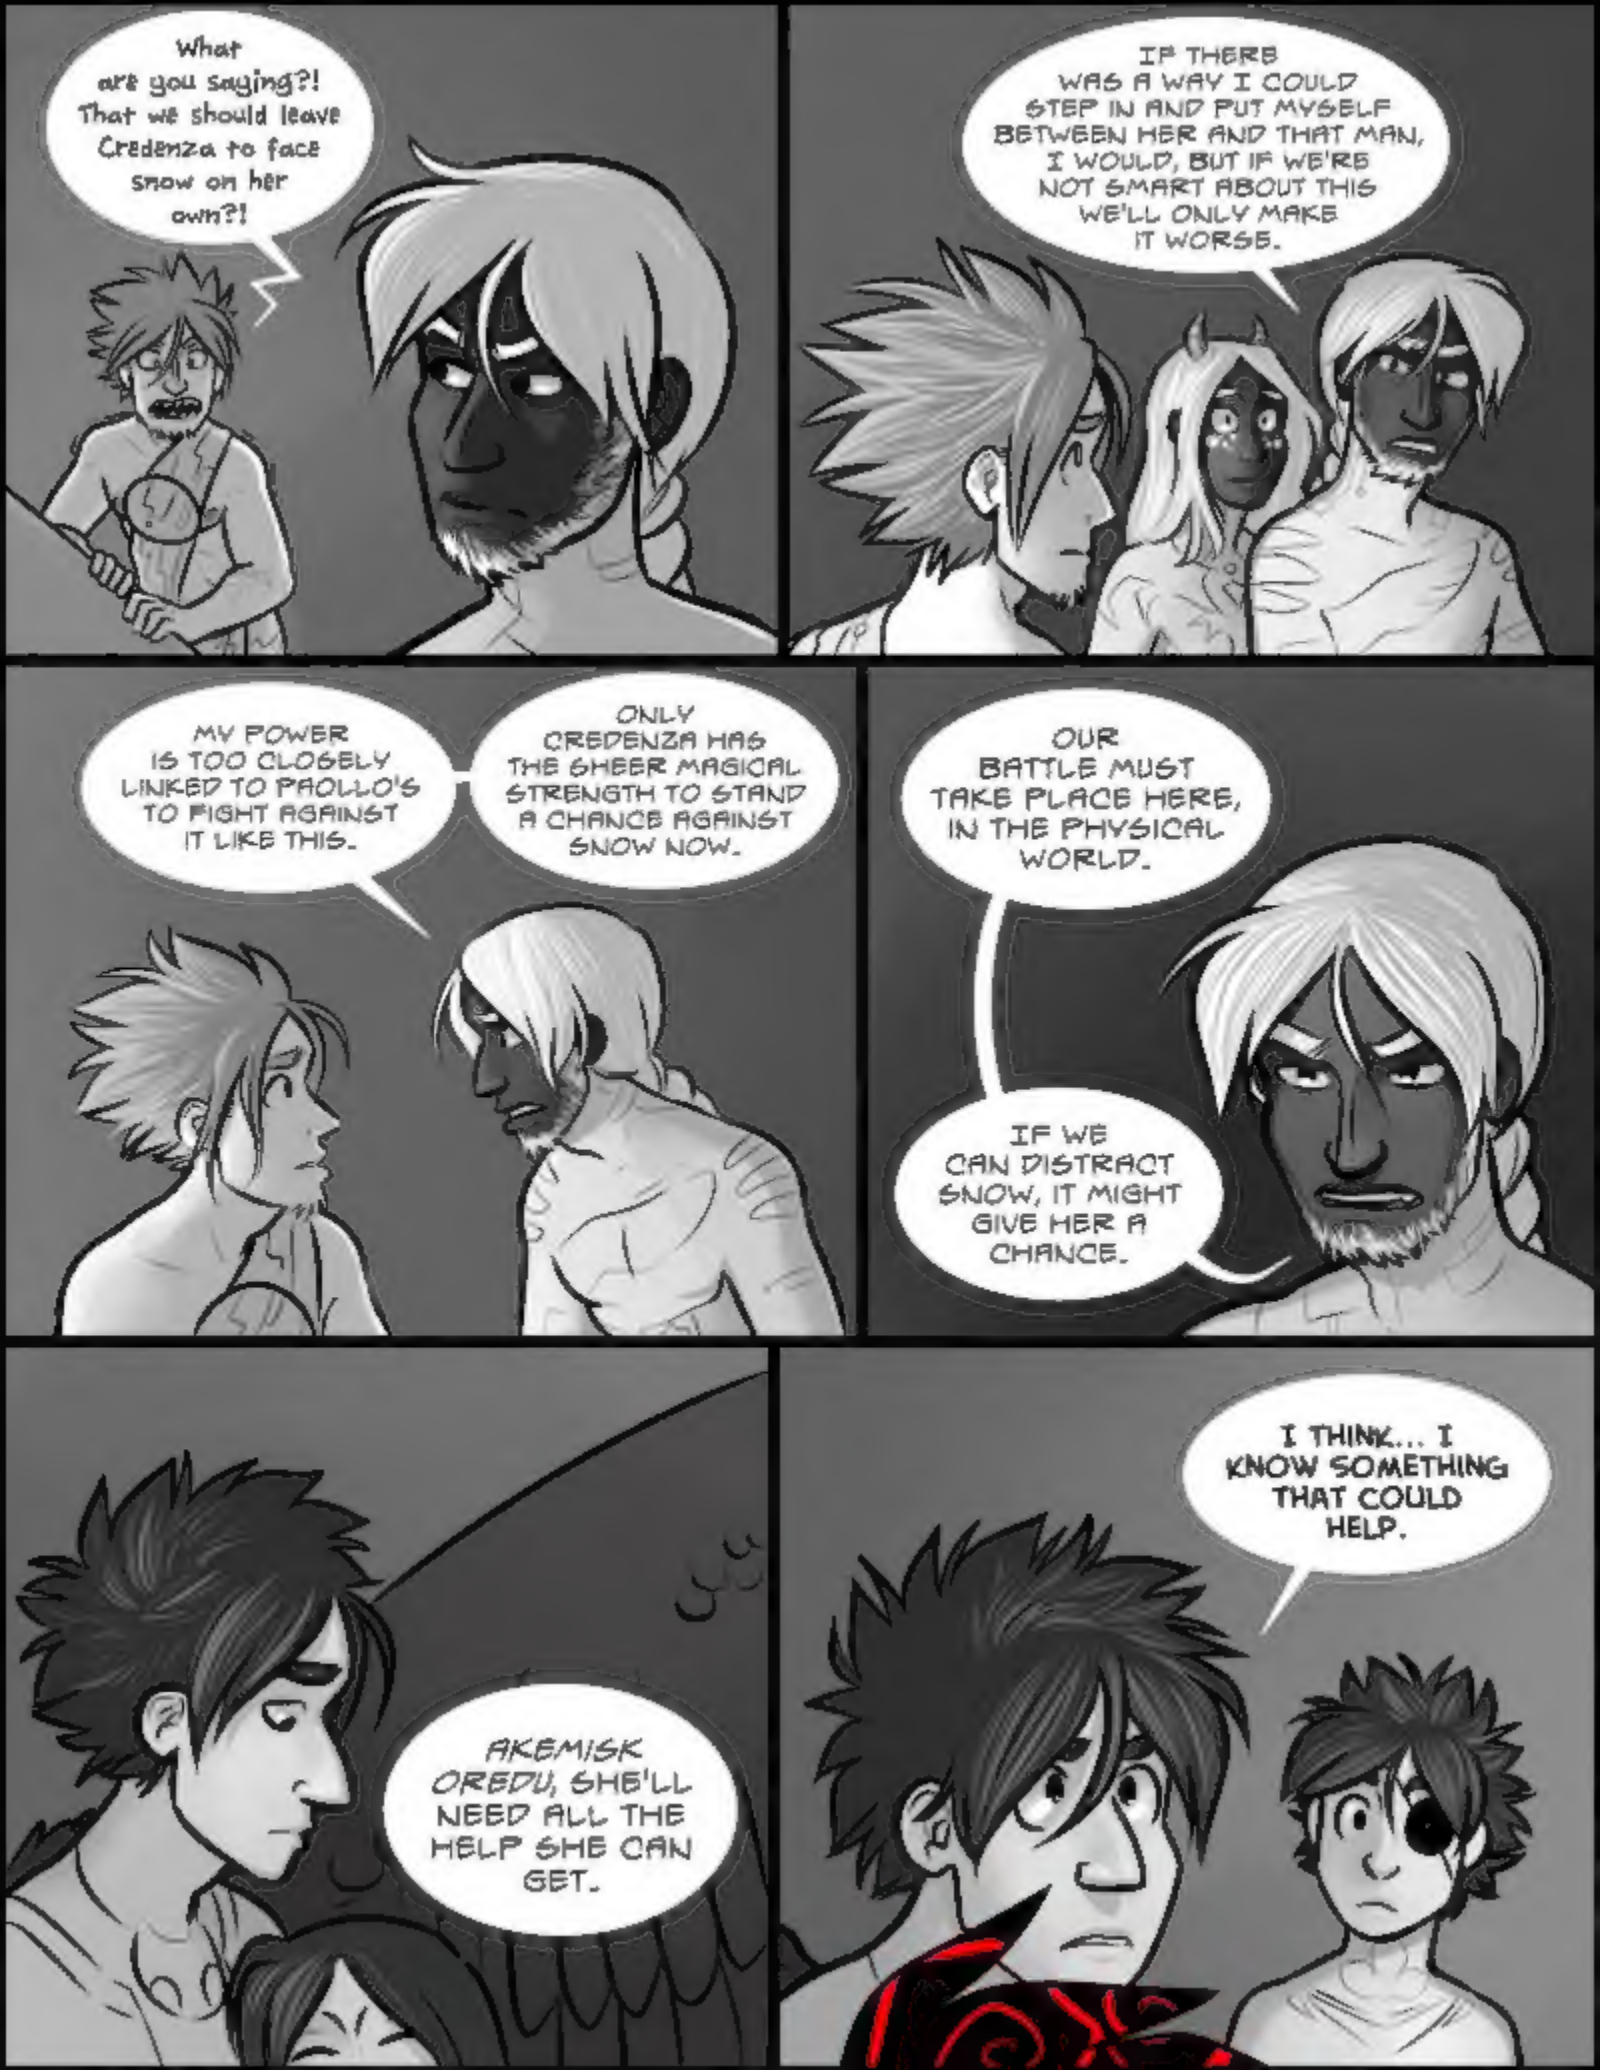


NNHG....
CAREFUL. FIRST TIME DREAM WALKING, RIGHT? IT HITS EVERYONE A LITTLE DIFFERENTLY.
HORK!
SOME HARDER THAN OTHERS... I'LL BE RIGHT BACK.
BLEAURG!
HUFF...
HUFF...
T-Tuff?
CASSIE?
ARE YOU ALL RIGHT? DID YOU-
WHUMP!

I saw Ch-Chesska... she said she was ashamed of me, that she had trusted me and I failed her.
She said that everything she loved was gone and that it's all my... my fault...
But it was all just a dream, it wasn't real. I'm sorry, I'm being foolish.
IT WAS A DREAM, BUT THERE WAS REAL MALICE BEHIND IT. IT'S NOT FOOLISH TO NEED COMFORT AFTER A MENTAL ATTACK LIKE THIS.
THE DREAM WAS WRONG. YOU HAVEN'T FAILED CHESSKA. WE'LL GET CLAIR BACK. WE'LL GET THEM ALL BACK.
PLEASE BE REAL, PLEASE BE REAL, PLEASE BE REAL...
CREDENZA! CREDENZA!
RAVEN?
IS NAP TIME OVER?



YOU'RE HERE! IT WAS REAL!
THANK YOU... THANK YOU...
BUT... WHY ISN'T SHE WAKING UP?
SHE STILL HAS WORK TO DO IN THE DREAM WORLD.
IF WE'RE TO DEFEAT SNOW IN THIS WORLD, SHE HAS TO FIGHT HIM IN THE DREAM WORLD AS WELL.
AND NOW SHE MUST DO IT ALONE.



What are you saying?! That we should leave Credenza to face Snow on her own?!
If there was a way I could step in and put myself between her and that man, I would, but if we're not smart about this we'll only make it worse.
My power is too closely linked to Paollo's to fight against it like this.
Only Credenza has the sheer magical strength to stand a chance against Snow now.
Our battle must take place here, in the physical world.
If we can distract Snow, it might give her a chance.
Akemisk oredu, she'll need all the help she can get.
I think... I know something that could help.

CREEEAAK
HNN... WHAT IS THIS?
THIS DOESN'T FEEL LIKE A DREAM.
THAT DOESN'T MAKE SENSE... WHAT IS IT, IF IT'S NOT A DREAM?
